Summer Issue

June 2010

A big THANK YOU to our helpful residents

A little bit of help goes a long way. Recently a few of our residents volunteered to help with the HOA and we all owe them a big THANK YOU!!!!

At our annual meeting we discussed the lighting problems at the entrance signs. At that point we had received two estimates, both in the thousands of dollars, for repair/replacement of those fixtures. After the meeting, Kent Bell and Nick Couse inspected the lights and volunteered to fix them. They have been

working on the south entrance and will begin to work on the north entrance shortly. Since they are volunteering their time, this project will end up costing only a few hundred dollars rather than a few thousand. Be sure to say thank you when you see them!

We would also like to thank Joannie Heredia for the donation of black-eyed-susans which are now planted at the north entrance and will be lovely as they bloom later this summer.

Thank you!!!

New Sign Law

Due to a new law, no HOA may restrict the right of homeowners to display political campaign signs. Please feel free to support your candidate at election time.

Complaints received:

- Garbage cans left out
- Loud music or mowers early in the morning or late at night
- Too many cars parked on street and speeding cars
- Work vehicles not parked in garages
- Children playing in the street and climbing HOA small trees and sign walls
- Barking and loose dogs

Please be respectful of your neighbors

Pond Safety and Respect

Please speak to your children about pond safety and respect. These ponds are created for drainage purposes, not for recreation. Please keep your kids safe by asking them to stay away from com-

munity ponds. We will be working with the Hamilton County Drainage Board to install edge enhancements soon. Please ask your children not to disturb these areas.

Thank you!

Spring FFHOA Meeting

Our annual Spring FFHOA Meeting was held on Wednesday, May 12th at Town Hall. Thank you to Kent and Nick for attending.

Some topics of discussion were; open board positions, our new and improved landscapers, pond maintenance, entrance and street lighting issues, and the Town Grant program for 2011.

We will be working on improvements to our standards and guidelines as one of our goals for 2010. If you have ideas about how to improve our forms or suggestions on

changes to these documents, please email Jenifer. We will not be changing any covenants at this time. Also, we would like your ideas for possible improvements to our common areas. Please share your ideas with us.

We want your ideas!

Simple things you can do

- Repair damaged siding
- Keep grass mowed
- Pull weeds promptly
- Remove yard clutter
- Plant some flowers
- Maintain lamp posts
- Report street light outages (include pole #)
- Pick up trash
- Help a neighbor
- **Volunteer**

Thistle

If you have it, you need to control it. This is a highly invasive weed which is required by law to be controlled on your property.
